**Huber Engineered Wood's  
"ZIP System™ Roof Sheathing"**

**T**echnical **I**nformation **S**heet **# 138**

July 31, 2006

To Whom It May Concern:

CertainTeed will offer its standard limited warranty covering its roofing shingles when applied properly to Huber Engineered Wood's "ZIP System™ Roof Sheathing." The sheathing must be clean, solid, a minimum 1/2" thick, and applied in accordance with Huber's requirements.

CertainTeed shall not have any liability or responsibility under its warranty for a) Defects or damage caused by materials used as a roofing base over which the shingles are applied, b) Damage to the shingles caused by settlement, distortion, deterioration, failure, or cracking of the roof deck, or c) Defects, failure, or water leakage caused by application of its shingles not in strict adherence with CertainTeed's written instructions (which can be found on each bundle of shingles). Further, it is the roof system designer's responsibility to assure that all building code requirements are met.
